

## Sahiyo Outreach Education Volunteer Position

Sahiyo is dedicated to empowering Asian communities to end female genital cutting (FGC) and create positive social change through dialogue, education and collaboration based on community involvement. By working towards an FGC-free world, we aim to recognize and emphasize the values of consent and a child's/woman's right over her own body. We aim to enable a culture in which female sexuality is not feared or suppressed but embraced as normal.

Sahiyo is the Bohra Gujarati word for 'saheliyo', or friends, and reflects our organization's mission to engage in dialogue with the community to find a collective solution towards ending the practice of FGC.

### Position Description:

We are currently looking for individuals to conduct outreach in communities in the United States as well as in other countries. Volunteers will receive training and data to include in their presentations.

Goal: Increase awareness of FGC across college campuses, ultimately gaining new advocates to help prevent the practice of FGC in the US and around the world.

How will this help you? This volunteer position is a great opportunity to promote a great cause alongside an internationally recognized-organization, while making important contacts and improving your presentation skills.

### Responsibilities & Duties:

- Support Sahiyo with outreach presentations across college campuses, your own and others nearby
- Gathering up-to-date data on FGC policies, court cases, etc.
- Creating powerpoint/prezi presentations
- Fact-checking when needed
- Other related tasks as necessary
- Answer questions from the audience in an informative and culturally sensitive manner.

### Desired Qualifications & Skills:

- Solid communication skills
- Familiarity with Google Docs, Prezi and other presentation platforms
- Hardworking, driven, energetic, result-oriented and independent
- Comfortable working remotely
- Able to develop presentations independently
- Strong attention to detail
- Culturally Responsive/Aware
