

## Sahiyo Editorial Internship

Sahiyo is dedicated to empowering Asian communities to end female genital cutting (FGC) and create positive social change through dialogue, education and collaboration based on community involvement. By working towards an FGC-free world, we aim to recognize and emphasize the values of consent and a child's/woman's right over her own body. We aim to enable a culture in which female sexuality is not feared or suppressed but embraced as normal.

Sahiyo is the Bohra Gujarati word for 'saheliyo', or friends, and reflects our organization's mission to engage in dialogue with the community to find a collective solution towards ending the practice of FGC.
